

## What was it like when YOU went to the cinema?

Think about what you would like to ask someone...

Making a note of what people tell you will help you remember.

### Who? What? Where? When? Why? How?

Where did you go to the cinema?

When did you go to the cinema?

Who did you go to the cinema with?

How was cinema different during the war?

Why was cinema so popular?

What did you eat at the cinema?

What is your favourite film? Why?

Who is your favourite film star? Why?

When did you last go to the cinema? Who did you go with?

Can you remember what film you saw?

Have you got any other questions?

**Look at an object.**

What was it used for? When was it used? Who used it?

**Look at a photograph.**

What can you find out by talking about it? Who is in it? Where was it taken? When was it taken?
