

**Early Film & Television Annuals: Publication before WWII
(alphabetical by title)**

This is a quick reference for those interested in early film and television reference materials. Some titles have been abbreviated for space. Check OLIB for the complete details necessary to finding the titles of interest.

Microfiche are filed in basement drawer by title.

OS= Oversize

Base & Micro indicates some volumes are on basement shelves and some are on microfiche. Check OLIB to find out which case it is.

(For Book References see Chadwyck-Healey's "The History of the Cinema 1895-1940: handlist of titles." All titles are on Microfiche.)
