Mozart’s immortal opera The Magic Flute (Trollflöjten) is masterfully reworked for the screen by the great Ingmar Bergman in this sublime rendering of one of the composer’s best-loved works – a cheerful and charming operatic celebration of love, forgiveness and humanity. This marvellously melodic visual treat is now available for the first time on Blu-ray and DVD in the UK, released in a Dual Format Edition by the BFI on 23 April 2018, following its recent theatrical release. A variety of special features include Lotte Reiniger’s enchanting silhouette-animation inspired by the opera.

The Magic Flute stars Josef Köstlinger as Tamino, a young man determined to rescue beautiful princess Pamina (Irma Urrila) from the clutches of parental evil, helped – or perhaps even hindered – by the roguish pipe player Papageno (Håkan Hagegård).
